Hon. Thomas Shedden
Hearing Officer
Arizona Office of Administrative Hearings

OAh No. 07-TR001-DWR

Dear Hearing Officer Shedden:

My name is John Salter. I am a property and business owner in Desert Springs Arizona which has a well and is supplied by Desert Springs Water Company. I am writing to protest the application for a permit to transfer water from Beaver Dam Wash in northern Arizona to the State of Nevada.

I think it obvious why I would be against this proposal. I don't want to see a few select people benefit at our expense. I want to see our area grow and expand which we can't do without sufficient water. I would like to see the state of Arizona reap the tax benefits from further growth instead of Nevada. It only makes sense to refuse such a proposal and I hope you will side with your fellow Arizonians on this issue. Thank You.

Sincerely,

John Salter
