10 On February 28, 2007 ADWR filed a request to have a court reporter record the hearing
11 in this matter. Given the late filing date, this matter will be addressed at the start of the
12 hearing, however, the request is tentatively granted subject to the following conditions:
13 (1) ADWR must provide the Office of Administrative Hearings a copy of the transcript at
14 no charge; (2) the official record will be the court reporter's transcript, however, if there
15 are any inconsistencies between the audio recording and the court reporter's transcript
16 the audio recording will be controlling; (3) that logistics related to the hearing room allow
17 the court reporter to operate without disrupting the proceeding; and (4) other issues that
18 the parties may raise.
